

We are pleased to announce our partnership with **Ibiley School Uniforms** beginning the 2022-2023 school year as the official supplier for **Legacy Charter High School** uniforms.

Ibiley is a family-owned business that has been providing uniform services to schools throughout Florida for over 30 years. Their success has been built on their commitment to their schools in providing quality products and services.

Our distinctive uniform represents the spirit of our school and will effectively remain the same. This year will be a transition year, so if you have uniforms that still fit and are appropriate for your grade level, you may continue to wear them.

Ibiley is working diligently to ensure that our unique garments are in stock for the upcoming summer. In the meantime you can visit their website and search our school and place pre-orders. We recommend registering to ensure you receive the most up to date promotions and offers from them.

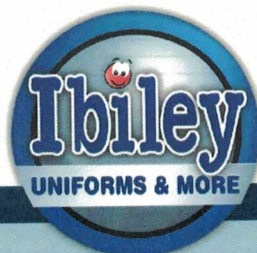

Ibiley will also be visiting our school this summer for on-site sales. More details to come as we approach these dates.

Please feel free to contact **Ibiley** at their customer service number **1-844-706-5771** or visit their website, **ibiley.com**.

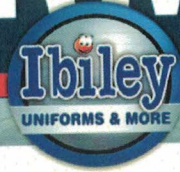

We are confident that this new partnership will provide a more flexible, organized, and efficient shopping experience. If you have any questions, please feel free to reach out to us.

Once again, thank you for your trust and support during this process.

*Sincerely,
Legacy Charter High School
Administration Team*
